September 2008

## **PAWA News**

### ***From the Committee***

#### **1. Supper Surplus**

We thought it would be fun to refocus on the Permaculture ethic 'Surplus Share'. Do you sometimes/ often have an over abundance of produce in your garden? Can you use it to create something for supper? Please feel free to share your surplus at PAWA's next monthly presentation. In sharing our surplus we share great ideas too.

#### **2. Treasurer**

We are still in need of someone to take over the Treasurer position. If you are willing to do this even for just a few months we would be most grateful. Please contact Challis at: [aubergine70@hotmail.com](mailto:aubergine70@hotmail.com)

### ***PAWA Quarterly Magazine***

Warwick Rowell has kindly offered to compile the November edition of the PAWA magazine. To make Warwick's job a satisfying one (so that he will want to continue in this role) please volunteer some time and write an article about your Permaculture experiences or send photos (which speak a thousand words). Deadline for the mid November mail out is mid October. You can contact Warwick at: [warwick.rowell@bigpond.com](mailto:warwick.rowell@bigpond.com)

These questions will be answered through practical demonstration using a sand box, a slide show from Geoff Lawton's DVD 'Harvesting Water: the Permaculture Way' and audience interaction.
